SUMMARY Richard hails from Tulsa (https://en.wikipedia.org/wiki/Tulsa,_Oklahoma). Holds a bachelor's degree from the University of Oklahoma and a master's degree from Stanford University. (Go Sooners) Before starting Pied Piper, he worked for Hooli as a part time software developer. While his work focuses on applied information theory, mostly optimizing lossless compression schema of both the length-limited and adaptive variants, his non-work interests range widely, everything from quantum computing to chaos theory. He could tell you about it, but THAT would NOT be a length-limited conversation!
